Policy adopted by the LAB of:		**Date:**	
Signed by the Chair of the LAB:		**Print:**	

Wednesfield High Specialist Engineering Academy's admissions process is part of the [Local Authority co-ordinated scheme](). The academy's admission number is 160 for Year 7 students from 2016 onwards, all other Years are 150. Where the number of applications is lower than the admission number, all applicants will be admitted.

How do I apply for a place?

The easiest way to apply for an academy place is by using the Local Authority online application system, but before you make your application there are some key points to consider.

Ask yourself the following questions:

- Does my child have a Statement of Special Educational Needs? (If the answer is yes then you will apply for a place through the [Special Educational Needs Team]() rather than through School Admissions).

- Do I know where the academy is situated and can my child get there without too much difficulty? [View Information on Travel Assistance]()

- Have I visited the academy to see for myself the facilities they have to offer? [Open Days/Evenings Information]()

- Have I obtained all the relevant forms/information for my preferred schools? Some schools in Wolverhampton require additional forms to be completed. [View Admissions Information]()

- Do any of my preferred schools have a history of over-subscription (more applications than there are places available)? If so, how is my application likely to meet the criteria used for the allocation of places? [View the Secondary Education Booklet]()

- Does everyone with parental responsibility for the child agree with:

    (i)   The preferred school(s).
    (ii) The order in which they are being presented.

- Do I need to seek clarification of any points before I submit my application?

- What is the deadline for applications?
